LOUISIANA TEACHER WRITES BOOK TO SHOWS HOW THE BEST TEACHERS AVOID COMMON  
TEACHING MISTAKES

Elizabeth Breaux, a former classroom teacher who has worked with at-risk students for over 24 years, has published her fourth book *How the Best Teachers Avoid the 20 Most Common Teaching Mistakes*.

The book shows teachers how to avoid and correct common mistakes teachers make that lead to breakdowns in the classroom. The mistakes include allowing for unstructured time, lowering expectations, being inconsistent, discouraging participation, and refusing to acknowledge mistakes.

Breaux currently trains new teachers and their mentors for the Lafayette School System. She also trains new-teacher assessors for the Louisiana Department of Education.

Eye On Education publishes practical reference books for teachers, principals, administrators, and other educators on topics such as literacy, professional development, educational leadership, and school improvement.
