Dropout Prevention Fieldbook: Best Practices from the Field

2012, 224 pp.
7191-1 \$34.95

Franklin P. Schargel

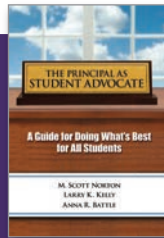

Reduce your school's dropout rate, help improve teaching and learning, and develop stronger relationships with parents and the community. The Fieldbook addresses a broad range of educational challenges, including school safety, cyber bullying, poor attendance, and raising student achievement.

Indexed according to strategy, grade level, and job title, it allows for quick access to tools, tips, worksheets, and checklists including...

- Graduation Credit Cards
- Ninth-Grade Academies
- Early Warning Signs Matrix
- Deterring Truancy User-Guide
- Student Action Plan Agreement

From the Foreword...

"In his Fieldbook, Franklin Schargel demonstrates a profound understanding of the variety of challenges facing today's schools. The strategies Franklin presents are field-tested, data-driven, and are presented in a clear, accessible, and easy-to-implement way."
— Jean-Claude Brizard, CEO of Chicago Public Schools

The Principal as Student Advocate

A Guide for Doing What's Best for All Students

2011, 144 pp.
7189-8 \$39.95

M. Scott Norton, Larry K. Kelly,
Anna R. Battle

As Principal, it is your advocacy that can make a powerful, lifelong difference for all the students in your school, including those with special needs and those who are at-risk.

This unique book works across grades K-12 and offers practical knowledge and strategies combined with real-world examples and situations that will give you the tools to help all your students reach their full potential.

- Balance advocacy with district policy.
- Transform your staff into strong advocates.
- Strengthen connections with parents.

Supported by research references in every chapter, the book details a rich variety of interventions you and your staff can use on a daily basis.

Also available – PowerPoint slides for in-service professional development.

Questions and Answers about RTI

A Guide to Success

2011, 128 pp.
7183-6 \$29.95

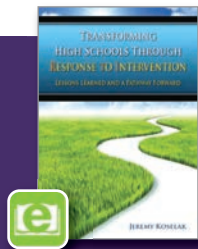

Heather Moran, Anthony Petruzzelli

"What is RTI, anyway? How did our district make the change and what are the core beliefs? What is the 3-tier model and what happens in Tier 1? How do I get started in my district?" Finally, some real, practical answers to all your RTI questions.

As Response-to-Intervention (RTI) models continue to attract a great deal of attention, school and district leaders must understand the structures needed, the personnel required, the challenges faced, and rewards realized from RTI.

Educators will find this resource rich with practical examples and straight talk. It provides an easily understandable "how-to" manual for teachers that are being asked to provide service in an RTI structure.

The book is designed to successfully guide a school or district through the implementation of a new RTI program.

2011, 192 pp.
7177-5 \$34.95

Transforming High Schools through Response to Intervention

Lessons Learned and a Pathway Forward

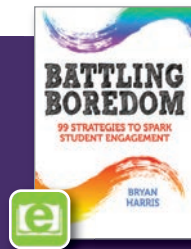

Jeremy Koselak

Simplify your approach to implementing Response-to-Intervention (RTI) and make strides toward improved achievement in your high school. Koselak shows high school leaders how to attain measurable results through a framework of tiered, dynamic intervention strategies and explains many of the best policies for continuous improvement.

Strategies highlight essential steps for successfully implementing RTI and present a pathway for avoiding common pitfalls.

Some unique features of the book:

- A research-based, updated synthesis of high school level RTI recommendations
- A look at the practical concerns and limitations associated with implementing RTI in high schools
- How to embed data-based decision-making
- Templates and figures demonstrating high school samples
- Reflections and case studies from actual high schools

2011, 160 pp.
7166-9 \$29.95

Battling Boredom

99 Strategies to Spark Student Engagement

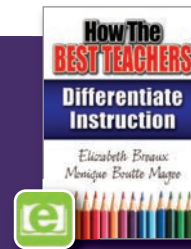

Bryan Harris

You'll learn how to gain and sustain the attention of your students from the moment the bell rings!

Perfect for teachers of all subjects and grade levels, these activities go head-to-head with student boredom and disengagement, resulting in lesson time that's more efficient, more educational, and loads more fun!

Bonus strategies show you how to engage even the most reluctant learners.

"Bottom line: Battling Boredom is a treasure trove of great ideas for keeping things interesting in class...every strategy is completely doable, with no supplies or complicated preparation needed."
– Celine Provini, Editor at EducationWorld.com

2010, 176 pp.
7140-9 \$29.95

How the Best Teachers Differentiate Instruction

Elizabeth Breaux and Monique Boutte Magee

Just as variety is the spice of life, differentiation is the spice of learning. This accessible and practical guide shows teachers how to provide their students with a variety of ways to strengthen their understanding of new material.

Included is a selection of assessments to ensure that students have mastered classroom content, regardless of their individual learning styles, abilities, and needs.

Also available
How to Reach & Teach All Students – Simplified

Elizabeth Breaux
2007, 128 pp. • 7042-8 \$29.95

This practical book shows teachers how to reach all their students by showcasing typical classroom situations, along with "What Works," followed by "What Doesn't Work."

Contents include chapters on...

- First Impressions: Getting Students on Your Side
- The Assertive and In-Control Teacher
- Implementing Procedures to Perfection: Three Simple Steps
- Making Home Contacts: Getting Parents on Your Side

Reaching the Wounded Student

Joe Hendershott

2009, 128 pp.
7097-6 \$29.95

This inspirational book offers practical strategies to educators who work with students who are beyond the point of “at-risk” and who suffer from hopelessness. It shows teachers and principals how to understand, teach, discipline, and motivate these students.

This book will empower and encourage educators to give hope to all students and direct them on a path to academic and life success. Contents include chapters on understanding and identifying the wounded student, real-life help for issues of behavior and self-esteem, how to promote success, and much more.

“Readers will connect with the examples. The author has the experience and credibility to discuss this difficult topic.”

– Kim Schropshire, Education Consultant, NC Department of Public Education

Teach My Kid – I Dare You!

The Educator’s Essential Guide to Parent Involvement

Sherrel Bergmann, Judith Allen Brough, David Shepard

2008, 128 pp.
7085-3 \$29.95

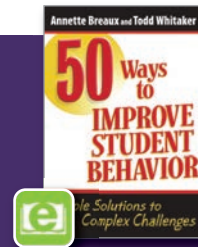

This book shows you how to positively involve parents to raise student achievement. It offers 10 steps for designing a comprehensive parent involvement program to increase communication among students, parents, and schools. Practical strategies and activities are included for involving all parents, monitoring the under-involved parents, balancing the over-involved parents, and assisting in urgent situations.

Also available
Teach Me – I Dare You!
Judith Allen Brough,
Sherrel Bergmann, Larry Holt
2006, 128 pp. • 7-18-5 \$29.95

- Practical tools for educators who work with disenchanting and disengaged students
- Clear, research-based, and explicit strategies for motivating, connecting, and intervening
- How to connect students who dare us to their schools and to a more promising future

50 Ways to Improve Student Behavior

Simple Solutions to Complex Challenges

Annette L. Breaux and Todd Whitaker

2010, 144 pp.
7132-4 \$29.95

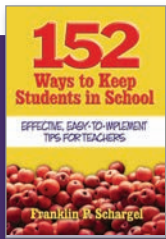

This book is a must-read reference for new and experienced teachers! In a lively and engaging style, Annette Breaux and Todd Whitaker share 50 simple, straightforward techniques for improving student behavior and increasing student cooperation, participation, and achievement.

Each practical, well-defined strategy can be applied in classrooms of all grade levels and subjects.

- How to make students more responsible
- How to nip potential problems in the bud
- Learning what to overlook
- Establishing classroom rules and procedures
- Teaching in small bites (makes students hungrier!)

As student behavior improves, so too will the quality of learning in your classroom!

Also available – Accompanying Study Guide for faculty round tables, seminars, professional development groups. See www.eyeoneducation.com for details!

152 Ways to Keep Students in School

Effective, Easy-to-Implement Tips for Teachers

2008, 130 pp.
7087-7 \$29.95

Franklin P. Schargel

Schargel provides 152 field-tested ideas for working with at-risk students. The book is designed to be read and implemented quickly, with concise snapshots of what educators can do to keep students from dropping out. Apply these practical tips in your classroom today. Divided into four sections: Student Learning Tips 1-25; Professional Growth; Family and Community Involvement; and Safe Schools Resources.

"This book provides quick and easy suggestions on how to build relationships and engage students."

– Joshua Garcia, Principal, Todd Beamer High School, WA
